How to book your wedding at Holmfirth Vineyard

The first step is to arrange an appointment with one of our wedding team who will be able to show you around our stunning venue and create you a bespoke quote.

You can arrange a show around appointment by:

Calling – 01484 691861

Email - Weddings@holmfirthvineyard.co.uk

Once you've decided on a date for your special day we can provisionally hold it for 2 weeks without a deposit. This gives you time to arrange your civil ceremony by contacting Kirklees Registrars on 01484 221030. Please note that all charges relating to the registrars are payable direct to the council.

To secure your date at the vineyard we require a £1000 deposit and a signed wedding contract

6 months before your wedding date a payment of 25% of your remaining balance will be required. The team will contact you to arrange this payment securely online

3 - 4 months before your wedding date a member of the team will contact you to arrange your details appointment. During this appointment you will confirm all the finer details of your special day and afterwards you will be sent your wedding day itinerary.

Within a week of receiving your itinerary a payment of 50% of your remaining balance will be required.

All details must be confirmed and your final balance payment will be required 2-3 weeks before the big day.

Frequently Asked Questions

Confetti

Confetti can be thrown in the function suite only; confetti cannot be thrown anywhere outside. This includes all kinds of confetti including petals and biodegradable.

The best confetti photo opportunity is when you are walking back down the aisle as a couple after the wedding ceremony. We can help arrange this photo with your photographer and the registrars.

Candles

We allow real candles as decoration however any candles used as decoration down the aisle cannot be lit during the ceremony. Candles on the tables can be lit during the meal but not during the evening reception.

Table plan/ Pre order

We require a table plan/ pre order from couples 2-3 weeks before the big day, we can provide a template for you to fill in if required. The information we need is – table number or name, full name of each guest, starter order, mains order, dessert order and then any dietary requirement details.

Ceremony Layout

The registrar table can be set in the big windows or set to the left depending on your decoration. The chairs for the ceremony will then be set in either rows of 4 or 5 down either side of the room. If specific seats need to be reserved for guests during the ceremony (for close family or people walking down the aisle for example) then the couple need to provide reserved seat cards or one of the wedding party will need to keep the seats free (this is normally the ushers or best man)

Music for the ceremony

If you are supplying your own music for the ceremony yourselves this needs to be provided on a phone or tablet capable of making a Bluetooth connection. Please make sure the chosen songs are split into playlists, the tracks need to be downloaded and the device needs to have the password taken off.

We advise you provide 15 – 20 minutes worth of waiting music, 1 song for walking down the aisle, 2-3 songs for signing the registrar and one song for walking back down the aisle.

Suppliers & Decoration

Any suppliers you have booked for the wedding will have access to the function suite from 9.30am on the day of the wedding, we are unable to store anything for suppliers before the wedding day and everything must be collected before 11am the next day.

If you are providing your own decorations these need to be brought to the vineyard between 9am and 12pm the day before the wedding so we can store it for you. Please ensure everything is in labelled boxes with a list of instructions so the team know what to set up.

Please note the vineyard team can put decorations out on tables but we cannot set up any other decorations - including but not limited to – chair covers, building 'arches' or 'hoops' in the window, setting up wedding cakes, setting up photo booths, setting up ceiling décor.

At the end of the night we will store everything at the back of the room for you to collect in the morning. Any valuables, such as gifts or wedding cards, should not be left in the function suite overnight.

If you have any questions about wedding décor please contact the wedding team.

Table layout

A traditional long top table can seat a maximum of 8 people, this can be located either in the big windows or along the mirrors.

If you have your top table in the windows you can fit a maximum of 8 round guests tables, if you have your top table in front of the mirrors you can have a maximum of 6 round guest tables. If you opt for a round top table you can fit a maximum of 10 round tables in total.

You can comfortably fit up to 10 guests around the round tables.

Place cards

The couple must provide either place cards for the guests tables with the guests food order written on the back or a menu card for each table showing what each person has ordered.

Suppliers meals

If you wish to provide a meal for any suppliers that are here on the day (normally just your photographer) we can offer a main course from your wedding meal at a reduced price of £20 per supplier.

Wedding Tasting

We offer wedding menu tasting sessions on Mondays to Thursdays at 4pm. This is for a maximum of 2 people and is an additional cost of £45 per person payable on the day of the tasting. As part of the tasting you get to try 3 dishes from each course. Add a Holmfirth Vineyard wine flight for an additional £5 per person. Please contact the wedding team direct to book in your wedding tasting session.
